Gladiator Award

The Gladiator Award is given to an individual or organization who goes above and beyond the call of duty to preserve the freedoms upon which this nation was founded. We bestow this sword to those who go the extra mile in the fight for life, liberty, and limited government.

2019 Kevin Kane Justice Award

Kevin Kane was the founder and past president of the Pelican Institute for Public Policy. He was a key initiator of criminal justice reform efforts in Louisiana that has led to successful, bipartisan endeavors to counter the cycle of recidivism.

In October 2016, Kevin lost his courageous battle with cancer. LFF President, Gene Mills, made a pledge to continue the work Kevin began and is honored to recognize his legacy with the Kevin Kane Justice Award. We honor the advocates who work tirelessly to reform our justice system while respecting families impacted by crime.
